## Fourth of July Parade

The annual Capitol Hill Fourth of July parade will feature PTAs from Capitol Hill schools, the Capitol Hill Restoration Society, Capitol Hill Village, and many other local institutions. The procession begins at 10 a.m. at 8th and I St. SE and heads north on 8th to D St. and west on D St. to 7th St., where it will disband.

### Please Water Trees

Although Mother Nature has been very generous this spring, we can expect a drought before too long. You can help newly planted trees by adopting one near your home. This is much less expensive than you may think. Trees for Capitol Hill estimates that it costs less than \$10 to water a tree for an entire summer.

New trees will need a minimum of 20 gallons each week; more may be needed in very hot, dry weather. The green watering bags on the newly planted street trees should be filled once a week. Read the directions on the back of the label. Basins must be filled more often because they hold less.

By the time a tree looks like it needs water (is shriveled or drops leaves), it has already been damaged. Don't wait. Be proactive!

Trees for Capital Hill has a few bags and basins that can be borrowed for the season. If you want one, contact *The Buzz*.

## H Street Farmers Market

The H Street NE FreshFarm Market is open for its 13th season every Saturday, 9 a.m.–noon at 13th and H St. NE. [freshfarmmarkets.org](http://freshfarmmarkets.org).

## Need a Street Tree?

NLPNA will be partnering with Trees for Capitol Hill again this fall to plant trees on public property. Funds from NLPNA and Trees for Capitol Hill will be used to match neighbors' contributions. Anyone wishing to sponsor a tree must commit to digging the hole and watering for the first two years.

### A Tree of One's Own – "Friends & Family" Program

Trees For Capitol Hill (TFCH) assists neighbors wanting trees for their own yards. The neighbor is required to prepare a hole on their property and pay the cost of the tree (at TFCH's discounted price) plus a pro-rated share of the shipping costs. TFCH selects a specimen of the preferred species at the nursery, purchases the tree, arranges delivery, and assists with planting on the Saturday before Thanksgiving. If you are interested in either of these programs, email [elizabeth\\_knits@yahoo.com](mailto:elizabeth_knits@yahoo.com) with "trees" in the subject line by the end of July.

## Support Eastern HS Band

The Blue & White Marching Machine – the Eastern High School Band – received the 2019 Keller Award from the Capitol Hill Community Foundation.

To continue repairing instruments and provide an additional \$90,000 to replace the band's 10-year-old formal uniforms, the foundation has created an online community campaign to raise additional funds. The National Capitol Bank will match the first \$10,000. Donations of used instruments will also be gratefully accepted.
