RE: BZA#20323—1250 Constitution Avenue, NE

Dear Director Bardin,

This case involves the application of The District of Columbia Department of General Services for a special exception from the off-site parking requirements to relocate 8 of the required parking spaces to the adjacent street to enlarge the outdoor play area at Maury Elementary School. The committee voted to support the application. The committee support is conditioned on the approval of the BZA's condition that there will be Resident Only Parking (ROP) on the west side of the 200 block of 12th Place NE, Resident Permit Parking (RPP) during from 6:00 pm to 7:00 am on the east side of the 200 block of 12th Place NE, and that there are only 8 parking spaces impacted.

Respectfully,

Gary M. Peterson, Chair
Capitol Hill Restoration Society
Zoning Committee
