

# Five Easy On-Line Steps to Learn About Capitol Hill Buildings

February 17,2021  
Maygene Daniels

Step 1: Go to [HistoryQuestDC.com](https://www.historyquestdc.com) for square, lot, date of construction, owner, architect and more.

Step 2: Examine contemporary map or atlas to learn about neighboring buildings, water, sewer, pavements.

Step 3: Check DC Architects' Directory for biographical information.  
[https://planning.dc.gov/publication.dc-architects-diectory](https://planning.dc.gov/publication/dc-architects-directory)

Step 4: Learn about owners and occupants using city directories, US Census records and genealogical data bases.

Step 5. Check other sources for images, news stories, and more.
